Overview

Great lot and location in Totem Pole Park Unit Association. It is a corner lot right around the corner from the large association beach and all its amenities. The unit is a 1995 Park Model with an attached addition. It has 2 bedrooms and 1 full bath. The addition doesn't currently have heat or direct access to the park model. The property also includes a large deck, storage shed and a firepit area. The unit does need a little TLC but at this price you can make it your own. Association amenities include: a large sandy beach on Ossipee Lake, tennis court, large rec center, newly designed mini golf course, volleyball, shuffleboard, softball field, multiple playgrounds, bocce, picnic area, boat docks, mooring lottery, snack bar, planned activities for all ages, bands, bingo and much more.
