Overview

Beautiful Kelly Lake is so close you can touch it! With public access nearby, this home is excellent for the water lovers that do not want the maintenance of water frontage or the expense. Built in 1994, this 3 bedroom 2 full bath manufactured home is ideal as a primary residence or a vacation home. Just minutes from Green Bay. It makes for a great retreat from city life. The built-in firepit outside is a gathering area and aims to please the nature enthusiast in you. Nestled on a .25 acre (another .84 acre is available for purchase) lot. It is surrounded by various lakes and secluded scenery. The property is on city sewer and has a well.
