Overview

Interested in a new home but don't want to wait for construction? Discover this exceptional, like-new cottage, less than a year old and the most upgraded of only three homes with this unique floorplan in the community. Boasting a thoughtfully designed, naturally lit open layout, this home features stylish wide plank laminate flooring on both the main and second levels (no carpet!), soft-close drawers and cabinets, and elegant floor-to-ceiling judges paneling in the dining room. Enjoy the benefits of a fenced-in yard and a poured concrete walkway connecting the spacious two-car garage to the mudroom. Inside, you'll find a convenient downstairs primary bedroom, an open kitchen with a large quartz countertop island and gas range, and ample storage with an easily accessible walk-in attic. And if that isn't enough, you'll be situated in one of the Triangle's most sought-after communities, offering year-round amenities and events to keep you engaged. With community pools, restaurants, parks, fitness centers, trails, retail, grocery, and gathering spaces all within walking or biking distance, you will find no shortage of things to do. This home offers not just a place to live but a vibrant new lifestyle! Welcome home to 1523 Millrock Trail.
