Overview

ABSOLUTELY GORGEOUS new spec home offered by Terry Knutsen Builder! A few of the amazing features include 2-story great room with fireplace and custom built-ins; gourmet kitchen with white cabinets, quartz countertops, 10' stained island, hidden pantry, open to dining area with custom built-in dining buffet; and mudroom with custom built-ins and coat closet. The primary bedroom suite boasts a tray ceiling, soaking tub and zero-entry walk-in shower with cubbies. The upper level overlooks the great room below and has 3 large bedrooms each with a walk-in closet. The finished lower level has a huge rec room area with kitchenette; a custom built-in entertainment center; bedroom and bath. 3 car garage. Pleasant Valley Community School District. Expected Completion - Spring 2025
