Overview

Nicely wooded, golf front lot on hole #9 in Woodlake Community. Tucked back in the Loblolly area, has a gentle slope at the very back of the lot. Great location to place the home of your dreams with a walkout lower level or a single level with a expanded deck to view the golf course fairway. Woodlake is on the return to its glory welcoming a new club house/Pro shop, swimming pool and recreation areas. Join in the journey of rebuilding this lovely golf community.
