Overview

Spectacular Oak View Property with scenic charm. Nestled on an expansive 43, 995 sq ft lot, this picturesque home offers an exceptional combination of nature and comfort. Surrounded by lush trees and vibrant bushes, the breathtaking views create a serene atmosphere. As you approach the 2, 467 sq ft home, a long, hill-like driveway winds up to the residence, leading to an ample driveway. Near the main entrance, you'll find a cozy, inviting space perfect for relaxing outdoors. Inside, the living room boasts, beautiful beams that stretch across the ceiling filling the room with rustic elegance. Large windows flood the area with natural light, highlighting the beautiful wooden floors. A stunning stone fireplace adds warmth and character to the space, making it the prefect area to enjoy cold winter nights. The open kitchen features gray cabinetry, sleek stainless-steel appliances, and a generously-sized dining area making it a chef's dream. A spacious half bath is conveniently located on the first floor. Upstairs, the master bedroom offers a tranquil retreat with a luxurious full bath, complete with a tub, his and hers sinks, and a walk-in closet. Two additional bedrooms share a stylish full bath and have access to a balcony that overlooks the property's stunning views. A large backyard offers endless possibilities and will be a favorite entertainment destination. Hurry! You do not want to miss this one.
