## Overview

Charming stone home in Shawnee with updates throughout and character all still left intact. Beautiful curb appeal and circle drive with tiled entry, original refinished hardwood floors throughout, fresh paint, all new windows throughout, new tiles and newly updated fixtures. Newly painted kitchen cabinets with quartz countertops and modern tile. Large main floor bathroom with a bedroom on the main level and mud room or coffee space off the deck. Brand new second bathroom upstairs with two large bedrooms and good sized closets. Owner just did all new windows, new tile in the sunroom, and exterior paint job. This house sits on a great lot for entertaining in the back.
