WOW CHECK THIS OUT ALMOST NEW CONSTRUCTION WITHOUT ALL THE HASSLE AND GOING OVER BUDGET BECAUSE THIS ONE ALREADY HAS ALL THE HIGH-END UPGRADES, FINISHED BASEMENT AND EXTENSIVE LANDSCAPING ON A CORNER LOT You will not believe how much seller has invested on the beautiful back yard with the gorgeous inground salt water pool, covered gazebo, all the extra concrete with the sidewalk going around and extending to the hot tub pad, the gazebo and pool area, and covered patio, and then of course the beautiful fence. This 4 bedroom, 4 bathroom home has upgraded flooring and lighting, quartz countertops, custom cabinets, wood shelving in closets and pantry, just to mention a few. The basement has a huge family room, bedroom with egress window and bathroom and still plenty of storage area. This location is a must in this in a sought after new community of Natalie Estates in Waterloo near the country club, waterloo schools, restaurants, and shopping.
