Overview

Spectacular Cappozzi custom built home with stunning curb appeal in WNY's most prestigious Spaulding Lake community. Current owners purchased this 6 bedroom 4.5 bath home as a new build and created their dream home with a luscious private backyard oasis. Upon entering into the 2 story foyer you'll notice the quality and craftsmanship with custom trim and moldings and neutral up to trend decor. 9ft ceilings throughout all 3 floors, wall of windows and open floor plan concept make for luxurious living and spacious entertaining. Chef's kitchen to include custom cabinetry, gorgeous 10ft quartzite island, commercial 6 burner wolf stove and RH lighting fixtures. Second floor to boast convenient 2nd floor laundry, 4 large bedrooms all with custom california closets, Jack and Jill bath and hunter douglas blinds. Primary suite features fireplace, cathedral ceiling, spa bath and 2 walk-in closets. Lower level radiants an abundance of natural light, freshly painted walls, new designer carpet and a guest en-suite with an oversized sitting area and full bath. Showings begin August 24th.
