Overview

Finding the legacy property of your dreams is a once-in-a-lifetime opportunity... and here it is! This lot is cleared and ready for plans to create your own urban retreat just steps from downtown Mahtomedi. With 82.5' of level frontage facing westerly sunsets, you can literally walk into town for coffee or dinner, stroll to the local market, boat to dinner, bike on gorgeous trails, or golf at nearby award-winning courses. This is an open build/design, meaning you can bring your dreams and create what you want. This location not only boasts a highly acclaimed school district, but also a quiet street that is home to many other freshly built, upper-bracket homes. Lakeside bonfires and lifetime memories are here-carpe diem!
