Overview

Charming home on 1 acre in coveted Argyle ISD. Welcome to this traditional and cozy home nestled on a sprawling acre of land offering the perfect opportunity for those seeking a tranquil retreat with endless potential. As you step onto the property, you are greeted by the serene beauty of mature trees, lush greenery, and ample space for outdoor activities. The large lot provides a canvas for endless possibilities, creating your own garden oasis, adding a pool, or building an outdoor entertainment area. Step inside to discover a home bursting with character. The interior boasts a classic layout with ample natural light, providing a warm and inviting atmosphere. 4 bedrooms, including an oversized and private primary suite. Large family room with wall of built ins and fp. Huge upstairs media room. The location of this property is truly unbeatable, offering the perfect blend of peaceful countryside living within close proximity to top-rated schools and convenient amenities. No city taxes.
