Overview

With its prime location, you'll enjoy the peace and quiet of a country living while having all the amenities and attractions of town living! This vinyl-sided ranch home features a large living room with coat closet, three bedrooms, full bath with hall linen closet, updated kitchen/dining area with patio doors leading out to your multi-layered wood deck and overlooks your nearly 1/2 acre yard! The full basement has a poured foundation and is partially finished with a 11x15 family room and 11x12 recreation area. There is also an office with walk-in closet and attached full bath. The office could be used as 4th bedroom, if an egress window was installed. The L-shaped utility room has an abundance of storage space with custom-built shelving and closets. The attached single car garage with a double concrete driveway is perfect for additional parking. Located on a cul-de-sac, this home has a lot to offer inside and out! Selling As-Is
