Overview

Come take a look at this rare find! Almost 15 acres of land, 40x64 pole building, and a 3 bed, 2 bath home in great condition! This home offers steel siding, new roof in 2019, new deck and patio in 2019, upgraded triple pane Pella windows, and all exterior doors replaced in 2018. The property features roughly 12 acres of tillable land currently with corn, roughly 3 acres with mature trees surrounding the home, an outdoor wood boiler that can heat the house and both garages which can save thousands on your utilities!
