## Overview

Delightful 4-bedroom 2 bath home. Architectural details include 2 stone fireplaces, arched doorways, classic wood tongue and groove, wooden staircase, railing and wood flooring. Spacious family room with stoned gas fireplace. Beautifully updated kitchen with built in island with seating. Newer cabinets, marbled countertops and plenty of storage. Separate large dining room for entertaining. Two bedrooms, full bathroom and large laundry room allowing for all main level living! Primary suite reminiscent of a woodland cabin retreat! This Cozy oasis has real wood floors, tongue n groove paneling, bricked wood burning fireplace, walk in closet, full bathroom with newer cabinet and marble countertop. Adjacent bedroom has a built-in desk, which could also be an office, nursery, or craft room. Easily maintained xeriscape yard, with water feature, darling covered lighted patio with a wood burning fireplace. Detached garage with shop! This home is a must see, in the heart of Price. Close to parks, pools, schools, trails and shopping. Square footage figures are provided as a courtesy estimate only and were obtained from an appraisal. Buyer is advised to obtain an independent measurement. Call listing agents for more information!
