Overview

BEAUTIFUL, REMODELED 3 BEDROOM HOME! This home has been remodeled from the studs up and some of the great amenities include large rooms, gorgeous, newer flooring, fresh paint, newer drywall, complete bathroom remodel, newer water heater in June of 2024, and 15x24 lower level master bedroom for privacy with walk-in closet, just to mention a few! There are fantastic views of this beautiful acreage from this home and wrap-around deck including 2 ponds on the property, both of which are stocked with blue gill and perch! New duct work thru-out this home and a newer metal roof were also done in 2024. Sits back off of blacktop, public maintained road and is a definitely a MUST SEE!
