Overview

Welcome to the epitome of luxury living in the stunning Wichita floor plan. Nestled within the picturesque 6 Creeks community, this home boasts exquisite features and meticulous craftsmanship, offering unparalleled comfort and elegance. As you step through the impressive 4 lite front door with a stone facade, you're greeted by the grandeur of tall ceilings in the foyer, setting the tone for the sophistication that awaits within. The study, adorned with numerous windows and double French doors, provides a serene space for work or relaxation, while the adjacent formal dining area, complete with a butler's pantry, invites gatherings and celebrations. Prepare to be enchanted by the gourmet kitchen, showcasing Painted Extra White cabinets, stainless built-in appliances including a 5 burner cooktop, and a Blanco single bowl sink. Astoria White countertops complement the space perfectly, while a walk-in pantry ensures ample storage for culinary delights. The master retreat is a sanctuary of tranquility, featuring a recessed ceiling and a cozy window seat, offering a perfect spot for quiet reflection. The master bath exudes opulence with split vanities, a vaulted ceiling, a separate shower with a seat and tub, and a sprawling walk-in closet, fulfilling every desire for luxury and convenience. Come see this outstanding home today.
