Overview

New Construction, offered by Oracle Homes a leading home builder in Southern New England! This to-be-built home offers a spacious 3,446 square feet of living area, with a flexible floor plan featuring 4 bedrooms (or the option to choose 3) and 3 full bathrooms. The first floor boasts soaring 9-foot ceilings and includes a full bathroom. The exterior is designed for modern appeal, showcasing a classic gambrel style design with striking black windows and white garage doors. A 2-car garage is included, with an option to upgrade to a 3-car garage. Inside, enjoy a luxurious custom design with contributions to fit your vision. Perfectly designed for today's lifestyle, this home offers the opportunity to personalize and create your ideal living space. Don't miss the chance to make this new construction your own!
