Overview

Don't miss this opportunity to live the peaceful mountain lifestyle in this like-new custom-built craftsman home in gated, private Grandview Peaks! Tons of living space spread out over three levels, perfect for an extended family getaway or full-time sanctuary. 4 bedrooms and 3 full bathrooms with dramatic mountain views throughout. Special features include 2 zone A/C, Renai tankless water heater, and Generac whole house generator. Detached carport offers 2 covered parking spaces and closet storage. Outside the home, you'll find 2.9 acres of pristinely landscaped yard, gently sloped for easy access and a firepit area for relaxing and star-gazing. Covered back and side porches to grill, entertain guests and take in the long-range mountain views spanning all the way to Grandfather and Table Rock Mountains. The community has gentle paved roads, miles of hiking trails, and a small community lake with white sandy beach, fishing docks, and covered picnic shelter. Close to Morganton, Marion and Asheville.
