Overview

33.5 acres of land with multiple use potential. The home is in need of substantial work and is 2, 414 square feet, with 1, 978 on ground level. Home was built on a concrete slab, has septic in place, public water at the road (meter needed) and lots of history here. There is an old civil war cemetery on the tract and many arrowheads have been found when property is plowed. A lot of this property is pretty level and the barn is in fair condition. 1.64 acres is across the road and train tracks. All showings require a licensed agent to accompany.
