Overview

Experience the ultimate #LAKE LIFE in this stunning 7 bedroom, 2 bath lake house that has not been on the market since 1966! The main feature is the breathtaking view from the open main living area with two walls of windows, sliding glass doors in 5 bedrooms opening to a screened porch, and 1000s of sqft of deck space. Enjoy the open family room, kitchen, eating area, and indoor grill. Need a quiet space? The large study/library offers a refuge with plenty of storage and shelving. The lowest level features a large partially finished shop and storage area. Situated on 1.65 acres, there is potential to build more outdoor living space. Don't miss out on this rare opportunity! #lakehouse #dreamhome
