Overview

Escape to Paradise in this welcoming Trinidad model with wooded preserve view. This spacious floorplan provides ample entertainment space and plenty of room for guests. Bedroom closets and pantry have been updated with custom closet systems. Built-ins and additional storage closets have been added to the den. The kitchen includes soft close cabinets with pull-outs and drawers, double ovens, and even a microwave/convection/air-fryer combination. Plantation shutters, motorized blinds, and roman shades adorn the windows and sliding doors. The new paver driveway and lanai add the perfect exterior finish to this already beautiful home.
