## Overview

Perched atop a serene mountain in Mountain Ranch, this charming retreat offers unparalleled privacy and breathtaking panoramic views. This 1-bd, 1-ba home, with potential for a second bedroom, sits majestically on 41 acres of pristine land. The open-concept living space features large windows that frame stunning vistas of the surrounding landscape. Modern conveniences include a water softener system and a Generac generator, ensuring comfort and reliability. A substantial workshop on the property provides ample space for projects or hobbies. Embrace the tranquility of mountain living. This property truly embodies the perfect blend of natural beauty and practical luxury.
