Overview

This is a great opportunity to own some very lightly restricted property in a great location. This 7 acre tract sits in a very convenient location. 5 minutes south and you're at Food City, restaurants, and schools. Go 10 minutes north and you're at Walmart, more stores, and Norris Lake. This property has most utilities on sight and has access from two different locations (one from Grandview and the other is Pine Crest). Adjoining lot 10 is for sale also. Buy both and have almost 14 acres of privacy.
