Overview

Nestled on 3.2 acres, this property offers the perfect blend of luxury, comfort, and functionality. This recently renovated, 3 bedroom, 3.5 bath home features 2 owners suites, ideal for multi-generational living or hosting guests. The kitchen is a chefs dream, showcasing new cabinets, butcher block countertops, large island, and a walk-in pantry that could be a 4th bedroom. Formal Living and dining. Beautiful family room with coffered ceiling, double-sided fireplace and large windows that provide breathtaking views of the backyard. Outside, the property is equally impressive, featuring above ground pool, expansive deck, 2-car attached and det garage, heated workshop and 2-stall horse barn. New windows, flooring and so much more! A must see!
