Overview

This fully furnished and beautifully renovated home sits on an expansive 3.8-acre lot, offering a rare combination of elegance and comfort. The thoughtfully designed kitchen, complete with new appliances, features stunning butcher block countertops that blend functionality with style, creating a warm and inviting space. The primary bath boasts a luxurious wet bath design with beautiful tile work, adding a spa-like experience to your everyday routine. With elegant finishes throughout, abundant natural light, new HVAC and Hot Water Heater, this property is truly turnkey and ready for immediate enjoyment or investment. The property includes fruit trees, open space, and 30 amp service for an RV behind the garage. This home is ready for your vision of a personal retreat or a smart real estate investment with room to expand with tiny homes, RVs, pool, volley ball – it's just waiting for you! This home delivers both style and substance in every corner.
