Overview

This new construction 2023 home has so much to offer, featuring 4 bedrooms plus a loft, 3.5 bathrooms, a walk-out basement with rough-in plumbing, and a 3-car garage. The home includes two primary bedroom suites, providing flexibility and convenience. As you enter, a gracious foyer opens to the dining room, leading you to your dream kitchen. The kitchen is finished with 42 white cabinets, quartz countertops, a spacious island, a butler's pantry, a walk-in pantry, and a stainless steel appliance. The huge eating area makes it perfect for family gatherings. The light-filled family room boasts 9' ceilings and opens to the backyard. The first-floor primary suite features a private full bath and a walk-in closet. On the second floor, you'll find another primary suite complete with a large walk-in closet, a beautiful full bath with a 35 vanity, upgraded tile shower, quartz countertops, and dual sinks. The additional two bedrooms on the second floor each include walk-in closets and share a Jack and Jill full bathroom. For added convenience, the second floor also includes a laundry room. This home is designed to provide comfort, style, and modern amenities, making it the perfect place to call home.
