Overview

MLS#4145059 REPRESENTATIVE PHOTOS ADDED. Winter Completion! The Vail II townhome in Davidson epitomizes modern, multi-level living with its thoughtfully designed layout and upscale amenities. The ground floor features a practical two-car garage and a versatile flex room with a full bath, ideal for a home office, guest suite, or recreation room. The second floor boasts an open-concept design that seamlessly connects the gathering room, dining area, and gourmet kitchen, with an adjoining deck for outdoor relaxation and a convenient powder room for guests. On the third floor, you'll find all three bedrooms, including a luxurious primary suite with a spacious walk-in closet and a well-appointed master bathroom, along with a strategically placed laundry room. The fourth floor's sky terrace offers an exquisite space perfect for entertaining or enjoying panoramic views. Structural options added: linear fireplace, storage, full bath on first floor, shower ledge in owner's bath, sky terrace.
