Overview

Coastal living meets exceptional craftsmanship in this nearly 4,000 sq ft 2018 home just minutes from pristine East Sandwich beach. Crafted with superior materials, it features an open, flexible floor plan with primary suites on both floors. The second-floor suite includes two additional rooms, ideal for a craft room or nursery. Interior highlights include 5/4 Crown Point cabinetry, cedar roofing, and advanced soundproofing insulation. Enjoy year-round comfort with central A/C, gas heating, generator, and wood and gas fireplaces. Then add 2x6 frame, azek trim, double-dipped shingles, Anderson windows, and LED lighting to the long list of superior features. Step outside to experience horticultural excellence with spectacular, professionally designed landscaping and plantings. The meticulously landscaped fenced yard features a powered tool shed and a 13-zone irrigation system, complemented by Trex decking and two inviting patios. A generator ensures seamless power supply.
