Overview

Professional photos and measurements will be uploaded by Wednesday, August 28. Your own personal oasis is calling you! This beautiful two-story home with an in-ground pool is only available due to relocation. This property offers 4 bedrooms on the upper level and 4 bathrooms. New siding, fascia, and gutter screens (2021), new energy efficient furnace and AC unit (2021), pool liner and pool heater (2020), beautifully remodeled custom kitchen and stainless-steel appliances (2017), solid white interior doors on the upper and main level (2024), and the list goes on. Set up a showing today, this beauty is not going to last!
