Overview

Welcome to this stunning home with 4 bedrooms, 3.5 baths and a bonus room. Built in 2021 and located in the beautiful Gretchen Pines community. This immaculate home has 2, 665 ft2, and it is situated on a.5-acre lot. It's character and details will impress from the crown molding to the maintenance free LVP flooring in the living room and kitchen. The focal point of the spacious living room is a recessed electric fireplace centered between two windows facing the large backyard. The kitchen features quartz counters, soft close gray shaker-style cabinets, a unique backsplash, stainless steel appliance package, and a generous walk-in pantry. A quartz covered kitchen island overlooks the breakfast nook and living room. Located on the main level, the primary bedroom features a beautifully tiled bathroom with a large tub, walk-in shower, double sink vanity, and quartz counters. A second primary bedroom with an ensuite is located upstairs, along with two large additional bedrooms and a bonus room. An unfinished walk-in storage space is accessible from the bonus room. All bedrooms have walk-in closets. Additionally, there is a hall bath with a double sink vanity, quartz counters, and tile floors. Enjoy quiet evenings overlooking a large backyard from the covered back patio! Don't miss this one, this immaculate home won't last long!
