Overview

Introducing a spacious 3 bed, 3 bath ranch home featuring over 1700 sq ft of living space. The split floor plan ensures privacy, highlighted by a generous master suite with a sizable walk-in closet and a lavish master bathroom equipped with a whirlpool tub and separate shower. The property comes complete with all appliances, including a washer and dryer, for added convenience. Situated conveniently close to the highway, this residence offers seamless access for your travel requirements.
