## Overview

This well-cared-for 4-bed, 2-bath home offers endless possibilities in a peaceful Hudson neighborhood. The quality and pride of ownership shines through with recent upgrades, including a new roof and gutters (2022), a brand-new dishwasher, new water heater and Hardie Board siding. Main floor features a bright and open dining and living space that flows nicely to the large, updated kitchen all with beautiful hardwood and tiled floors. The spacious layout includes a lower-level suite that is perfect for rental income or use as a mother-in-law suite. Step outside to a huge private backyard, with big, beautiful tress, a perfect spot for relaxation or entertaining on the composite deck! Located near schools, parks, and downtown Hudson, this property is a rare find with both comfort and investment potential.
