Overview

Experience the feeling of a perpetual vacation at this beautifully updated Black Lake home, boasting 100 feet of pristine sandy frontage. Imagine spending your days swimming, boating, soaking up the sun, and fishing, only to gather on the deck in the evening to witness breathtaking sunsets. Step inside to a thoughtfully designed open-concept space bathed in natural light, with the lake's beauty as your backdrop. The kitchen, perfect for hosting both intimate meals and large gatherings, features warm-toned vintage cabinetry that harmonizes with modern quartz countertops and updated appliances. Enjoy stunning water views while dining or relaxing in the living area, where a masterfully crafted Afton Limestone gas fireplace provides a cozy ambiance. The inviting main-level primary suite offers privacy, while four additional upper-level guest rooms -three with water views, and an office area, and a TV/family room provide ample space for guests. They'll share a bath and have access to a unique insulated space above the garage, full of potential for future use. Upper level is handicap accessible with a removeable list chair. This property also includes a two-car garage with convenient drive-through access, often used as an overflow recreation area with water views. Additional features include two parking areas, two sheds, and a separate parcel across the road, perfect for

building extra storage. As a bonus, the furniture, dock, and appliances (with the exception of the primary bedroom) are included at no extra cost. Sellers prefer cash offers and local financing, and all interested buyers must be preapproved. The sellers reserve the right to accept an offer at any time, with quick occupancy available!
