## Overview

This custom-built home from 2013 offers 4+ bedrooms and all the luxury features you could desire, including an office, den, and main floor laundry. The living room is perfect for cozy winter nights with its gas-burning fireplace, while the kitchen is designed for both style and functionality, featuring a snack bar with granite countertops and pull-out drawers for extra storage. Enjoy the comfort of in-floor heating and central air throughout the home. The property also includes a spacious full basement, an attached heated 2-car garage, and a detached 37x34 heated garage, perfect for additional storage or a workshop. The primary suite is a true oasis, complete with an elegant trayed ceiling and a custom-tiled walk-in shower with a rain head and four body sprayers, ensuring a spa-like experience every day. The nearly finished full basement offers plenty of opportunities for customization, with an additional bedroom, a walk-in closet, a plumbed-in wet bar area, and partial plumbing for a fourth bathroom. Located just over 2 miles from Escanaba, this home provides the perfect blend of convenience and luxurious amenities. Don't miss out on this exceptional property!
