Overview

Envision your perfect home set on two-thirds of an acre, in the pleasant Amber Ridge Estates neighborhood. This rare find can be found nestled at the end of a cul-de-sac that brings peace and tranquility. It is also wonderfully hidden away off the of beaten path, all the while, still conveniently located to shopping spots, restaurants, parks and walking trails, YMCA and hospital. Whether or not, you are in the position to build straight away or it is still down the road at bit...Don't let this one slip through your hands.
