Overview

This gorgeous colonial, situated on a cul-de-sac lot, welcomes you with a bright two-story foyer. The appealing open floor plan creates a light, airy atmosphere throughout the property. The foyer opens to the dining room, formal living room, and a two-story family room with a stone fireplace flanked by windows. The family room leads to the beautifully laid-out kitchen and spacious breakfast room as well as a large deck to enjoy the sunsets. The kitchen features rich dark cabinetry, an expansive center island, granite countertops, a stunning backsplash, and top-of-the-line stainless steel appliances. The first-floor den, which can be used as a bedroom, adjoins a full bathroom. The sprawling master suite, complete with a sitting room, boasts a double sink vanity and a whirlpool tub. Three additional large, bright bedrooms and two full baths complete the second floor. The finished lower level includes a second kitchen, a sixth bedroom or exercise room, a full bath, a media room.
