\$250,000

Overview

Experience serenity on over 7 acres with 1k mature pomegranate trees, as well as dates, persimmons, figs, and a wildlife sanctuary featuring deer, wild turkeys, and hogs. This fenced property includes a pond, 4-car metal garage, tool shed, and separate metal pump station for house and orchard irrigation. The home boasts a 60'x10' porch, renovated kitchen and bath, new living and dining areas, and an expansive 2022 addition with living room, 2 bedrooms, and convertible wardrobe. Enjoy unobstructed views of ATM research land.
