## Overview

A rare find! This one-level ranch-style townhome is the one you've been waiting for, offering unique features that set it apart in all the right ways. With a spacious floor plan spanning approximately 1,600 sq. ft. all on one level, this home combines convenience with comfort. Just some of the standout features include: a large 2-car attached garage with storage above. Attractive vaulted ceilings that enhance the sense of space. The welcoming kitchen, with a separate eating area, flows seamlessly into the family room, which is anchored by a cozy fireplace with a gas starter. The generous sized master bedroom boasts a full ensuite bathroom, complete with double bowl sinks, a tub, a separate shower, and a roomy walk-in closet. The living and dining rooms are separate, offering versatility for use as a home office or additional living space if needed. The rear view provides both scenic beauty and privacy, making it a peaceful retreat. Additional highlights include a newer washer and dryer, along with all updated mechanicals for peace of mind. Nestled in the desirable Haverford subdivision, this home is conveniently located near walking paths, corporate offices, and Woodfield Mall.
