Overview

Welcome home to this beautiful 5 bedroom 3.5 bath home on a quiet cul-de-sac in Shamong! This home boasts so many amazing features inside and out! With two primary suites one on the 1st floor and another on the 2nd it offers flexibility for multi-generational living or hosting guests. A total of 5 bedrooms and 3 1/2 baths ensure that there is plenty of space for a large family or for those who enjoy having ample room to entertain. The 1st floor primary suite and home office addition was done 9 years ago. There are stunning hardwood floors throughout the entire original home. The kitchen is beautifully designed with high-quality finishes and appliances. The Maple cabinets add a warm, classic touch to the kitchen, complementing various styles and colors. There are granite counters, a tile backsplash, tile floors, electric cook-top, Stainless Steel appliances which include a dishwasher, microwave/wall oven combination, and an armoire-style refrigerator (included). This kitchen is well-equipped for both everyday cooking and entertaining, blending functionality with aesthetics. The family room is a cozy and inviting space with several standout features like a floor-to-ceiling brick fireplace (propane) which is truly the focal point of the room, recessed lighting, hardwood floors and French doors which provide a seamless transition into the four-seasons room. The four-seasons room is designed for year-round enjoyment with tile floors, tons of windows flood

the room with natural light, creating a bright and airy atmosphere, a lighted ceiling fan and is temperature controlled with its own Ductless Mini Split System which allows for efficient, independent climate control for comfort regardless of the season. You can access the stunning backyard oasis through the sliding glass door where a heated saltwater in-ground pool awaits, perfect for relaxing or entertaining. The living room is very spacious and has wainscoting and invites you into the dining room and both rooms have hardwood floors, crown molding and chair railing. Through the French doors in the dining room you will enter the private office which has ample closet space for storage, recessed lighting and access to the 1st floor primary suite. Here you will find your own private retreat designed with comfort and luxury in mind. The bath includes a luxurious oversized tile shower, a double vanity and a walk-in closet...the sliding door in the bedroom leads directly to the backyard, allowing easy access to outdoor spaces and bringing in natural light. A powder room and laundry room (washer and dryer included) finish up the rooms on the 1st floor. Upstairs the other primary has hardwood floors and a private bath with a single vanity and stall shower. There are 3 more bedrooms upstairs all with hardwood floors as well as a hall bath with a large single vanity and tub/shower combination. The backyard is the ideal space for both relaxation and entertainment, featuring a meticulously maintained heated salt water in-ground pool equipped with a new liner and cover ensuring the pool is in great condition. The fire pit (included) adds a cozy, social element, ideal for gathering with friends and family on cool evenings. The extensive hardscaping was professionally designed as was the landscaping that complements it, adding to the overall aesthetic appeal of the backyard. This backyard is a well-thought-out outdoor oasis, offering a perfect mix of luxury, functionality, and natural beauty. For peace of mind all of the major items have been addressed such as a new septic (2015), 2 zone HVAC (2015), brand new ductless mini split in the sunroom, the roof on the main house is 2 years old and the roof on the addition is 9 years old...truly a turn key property waiting for you to move in and enjoy the good life and Love Where You Live!
