Overview

The Gateway to Nantucket - A Rare Commercial Opportunity offering Exceptional Visibility and Versatility Near Nantucket Airport. These highly sought-after sizable commercially zoned parcels totaling approximately 1.54 acres (+/-), offer unparalleled potential with exceptional visibility. Situated in the desirable and versatile CTEC zoning district, these parcels allow for a wide range of mixed commercial and residential uses, providing a world of possibilities (see zoning use chart). Just west of Nantucket Airport, this commercially zoned land is ideal for mixed residential-commercial and contractor uses, all supported by town water and sewer services. Whether you're interested in developing residential housing or embarking on a commercial venture, these parcels offer a unique opportunity tailored to meet your business needs. With the flexibility to accommodate a variety of projects, this land serves as a prime canvas for those looking to make a significant impact in this highly valuable and visible area of the island.
