Overview

Stunning 56.52 Rolling Acres located between Mercer, WI., and the Turtle Flambeau Flowage. This property could be your recreational hideout building site, but could also be a wonderful developmental property with beautiful Building Sites, or potential RV Sites. The property is situated the Golf Course, and you can Snowmobile or ATV directly from the property. The acreage is rolling to hilly with a pretty little stream meandering through the parcel, and nicely wooded with hardwoods, birch, and towering pines. A nice road winds throughout the property which offers a fine choice of building locations on either side of the road through the length of the property.
