Overview

Amberfield is a quiet community in the heart of Homer Glen near shopping and dining. Open concept RANCH living with 3 bedrooms and 3 full bathrooms. Flex space upon entry would make a great office if needed or bedroom with full bath. Hardwoods throughout most areas. Living room with fireplace, a kitchen with stainless appliances, Romar Cabinetry, granite countertops, complimenting backsplash, custom hood and island with seating. Separate dining area. Decorative ceiling above and sliding doors that access the backyard raised deck. Nicely sized, maintenance free and with sun shade! Primary ensuite features dual closets and sinks, a vanity and a large shower. Tucked away sizable laundry room with closet, extra cabinetry and 2-car, front load garage access. Finished basement with third bedroom, full bathroom and recreation area with beverage bar. Still plenty of storage area remaining. Walkable to Culver Memorial Park with ball fields, playground and so much open space. Maintenance free exterior, lawn care and snow removal. Convenient to shopping, dining, METRA and expressways.
