Overview

Great family home on quiet street on Eau Claire's westside. Vaulted ceilings and an addition consisting of large family room with an abundance of natural light. Exit to deck which leads to a concrete patio. Additional patio space located in yard amongst the beautiful flower gardens. Yard shed for your gardening tools. Kitchen has stainless appliances including a new range/oven. Lower-level family room with a gas fireplace. Central air/furnace approx. 3 years old. Dishwasher approx. 5 years old. Radon System in place. Neighborhood includes biking/walking trails and very close to schools. Excellent location near grocery stores, north crossing and interstate.
