Overview

Awesome custom-built home on a.91 acre lot in Pleasant Prairie with an attached 2 car garage and an additional heated 2 car garage and shop area. This high quality home has 4 bedrooms, 3 baths and a loft. The kitchen boasts granite counters with maple cabinets extending to the dining area. Maple floors and 2 fireplaces for comfort and entertainment. Escape to a one-of-a-kind master suite with a jacuzzi and tiled shower and bonus room. Also enjoy the 2nd floor laundry and office for working from home. The basement is finished. You'll enjoy the 2 backyard firepit areas with mature trees, lighting, and park-like walking paths through the woods with access to the 3rd garage for storage. Ample parking for RV's, boats and guests with 50 amp hook-up. Access to basement through garage. Water treatment system.
