Overview

High on a hill overlooking the verdant rolling landscape of one of Donald Rosss most famous golf courses this property encompasses the best of Cape Cod. Designed by the iconic architectural firm of Royal Barry Wills, this home was built to the highest standards by the areas leading builder. First floor primary suite. Five bedrooms in total, three with ensuite baths and a separate connected two-bedroom apartment with its own kitchenette, living room and full bath. A butlers pantry, laundry, and full bath just off the kitchen. The custom wine cellar in the basement is ready for your collection! Five working fireplaces. Closets and storage space abound including an expansive cedar closet. The original Smallbone kitchen has been updated with the latest appliances. Indoor living areas open to awning protected outdoor spaces. The pool, hot tub and view will simply take your breath away. This site's elevation creates movie-set views yet provides complete privacy and tranquility.
