## Overview

Mountain Retreat... Escape to this serene 2 bedroom, 2 bath home w/additional versatile studio spaces perfect for artists or hobbyists. Nestled in a tranquil wooded setting, this property offers a balance of seclusion and convenience, making it an ideal weekend getaway or year-round residence. Relax on the inviting front porch, surrounded by nature, or step inside where an open-concept design welcomes you. The cozy wood-burning stove adds both charm and warmth to the living space. Upstairs, the naturally lit bonus room, currently used as an art studio, is a dream space for creative pursuits. Outside, a garden area awaits your personal touch. The basement offers even more potential w/a workshop, plumbed for a third bath and a one-car garage, making it perfect for storage or hands-on projects. Dont miss this opportunity to own a peaceful retreat. The seller is offering a \$1, 500 carpet allowance and up to a \$750 home warranty. Sold AS IS-seller will make no repairs.
