## Overview

Entrance: Covered front porch opens to a lead glass door opening to foyer with open stairway to finished basement. Living Room: Sunken living room to the right is large and has cathedral ceiling, carpet, painted walls. Dining Room: Brand new grey laminate flooring. New patio door with slim shades, opens to deck in back of house. Kitchen: Lots of oak cabinets with soft close doors. New dishwasher, stainless steel refrigerator, range and an island that can be moved throughout the kitchen or dining room, laminate floor. 3 Bedroom: All 3 bedrooms on this level have painted walls, vaulted ceilings, ample closet space. Bath: Main bath has ceramic floor, painted walls, white fixtures. 1/2 bath: Ceramic floor, white fixtures, and is conveniently located near back deck. Basement: Huge addition to living space! To right is family room, with an exterior door that goes straight to the garage for an outside entrance that won't disturb the family upstairs. To the left is the laundry area with washer/dryer, hot water heat boiler - only 5 years old. Plus a second area with cream painted walls, carpet. This can be used for sleeping or family room. Past this room is a L-shaped room that could be another sleeping area. Exterior: Fenced yard, corner lot.
