Overview

Welcome to your new home! Convenient location just blocks away from the vibrant Mill Creek Town Center offering easy access to over 85 stores, dining options, summer concerts and scenic trails! This freshly painted exterior residence features a spacious floor plan with an attached garage and plenty of street parking, providing both convenience and comfort. Upstairs you'll discover a generously sized primary suite with a walk-in closet, a naturally lit 2nd bedroom, as well as a bonus room that could serve as either an office, home gym or entertainment room. You will enjoy summer BBQ's on your private patio. This desirable single family townhome is an attractive combination of modern amenities, convenience and affordable living!
