Overview

Belmont Hill. 3 bedroom, 1.5 bath, Cottage/Cape that is ideal for Architects, Builders or End-Users looking to be creative or build their dream home. The house has been used by the current owners as a guest house for a number of years but is in need of complete renovation or razing. Located at the end a cul-de-sac, this property affords peaceful vistas, mature trees, good sunlight and privacy. A rare opportunity in Belmont's premier neighborhood. Showings begin at open house Friday, August 23rd from 4:30 - 6:30.
