Overview

Get ready for entertainment because this is the house looking for the hostess with the mostest! A large pool with a wrap around deck and a cabana bar! Ready for your BBQ parties. There is a ton of room to sunbath and enjoy this paradise. Home has had a recent glamour update with fresh interior paint and main level flooring. New black accents; lights, doorknobs, faucets and ceiling fans. Main level features three bedrooms and one full bath. Lower level has a large 4th bedroom or could be a family room and laundry with 3/4 bath. Open floor plan with kitchen, living room, and dining area all open and it overflow out to the roofed deck. Rear yard has a garden shed and a awesome firepit area. Yard has a privacy fence and both deck and fence has recently been stained. There is a ton of storage for pool supplies under the deck and owner has made easy access for the area. Two car tuck under garage! Home sits in a quiet cul de sac. Make your appointment today!
